Walnut House

Shelter for Women in Crisis

The aim of the Center is to help women in crisis:

- bring them back to society,
- give them hope
- providing accommodation and social support
- professional integration

The Shelter was launched in Lviv in September, 2010. This was and is the only women's center of its kind in Western Ukraine.

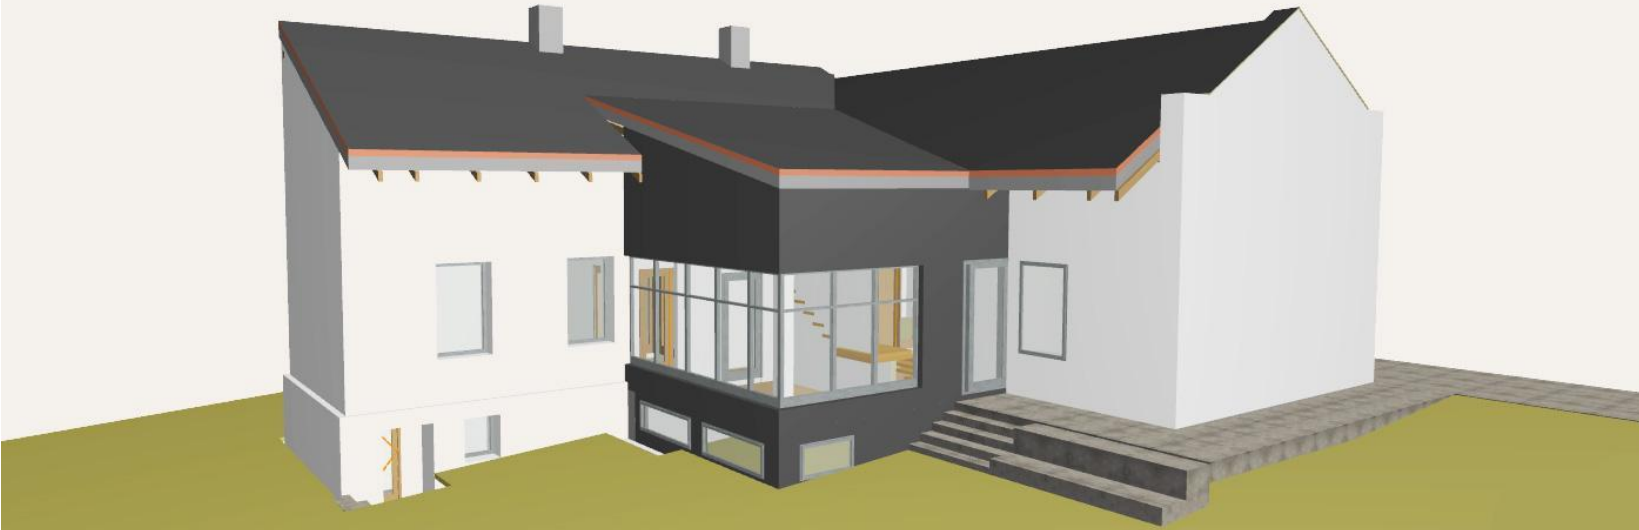

Over 90 women have found shelter in the “Walnut House”,
with over 80% managing to recover and make a new start in life.

The new shelter need to be repaired
